The office of Research, Discovery & Innovation is pleased to announce the Fall 2017 schedule of Responsible Conduct of Research (RCR) workshops. These interactive, discussion-based sessions are open to all members of campus, and designed specifically for graduate and undergraduate students and postdoctoral researchers. All workshops count towards fulfillment of RCR education requirements from the National Science Foundation (NSF) and National Institutes of Health (NIH).

For program details and to enroll in the workshops, please visit: http://rgw.arizona.edu/rcr
